

Representatives of the Financial Mechanism Office in Brussels, namely Ms Marie Kaufmann and Mr Šimon Krbec, are currently carrying out a monitoring visit to EEA and Norwegian projects under the Home Affairs Program. Their task is to control the course of the Internal Affairs program, specifically the PDP 1 to PDP 4 projects, which are implemented within the Police of the Czech Republic. On October 18, 2021, they participated in the Opening Conference of PDP 1 and PDP 2 projects and conducted interviews with project directors and managers.

On Monday, November 1, 2021, they were present at one of the regular inspection days as part of the revitalization of buildings in Kutná Hora. Of course, there were also representatives of the construction company and the construction project office, technical supervision, the leader of the project implementation team Ing. Tomáš Nushart, project manager PDP 2 Mgr. Radek Simon and Lt. Col. Mgr. Radka Ovčáčíková from the Police Education and Service Training Department. Ing. Nushart guided the participants through the construction and provided them with the necessary information not only about the current state of the construction, but especially about the overall revitalization of the reconstructed buildings.
